## **USGreentech, L.L.C. Limited Warranty**

Subject to the terms, conditions and limitations contained in the warranty certificate, USGreentech, L.L.C., warrants to the entity purchasing Envirofill® from USGreentech L.L.C., that under normal conditions it will maintain the physical properties of coating and color for a period of not less than eight years from the date of installation. Normal conditions would include usage of 2,000 hours per annum. Beyond eight years the physical properties of coating and color may depreciate in-line with extended use, although performance of the coating and color is not expected to materially change over that time span. The inner silicon dioxide sand will not lose any of its physical properties within 20 years from the date of installation.

If the product fails to perform as warranted USGreentech, L.L.C. shall provide replacement product. USGreentech, L.L.C. shall not be responsible for removal or disposal of the defective products.

The warranty does not apply to the extent that any defect or damage is caused by:

- a. Improper design or failure of the sub-base of the sports field
- b. Wear or abrasion caused by an inadequate sub-base
- c. The playing surface being used other than for the purpose for which it was designed and installed
- d. Improper treatment such as excessive vehicular traffic, use of vehicles with anything other than smooth tread pneumatic tires, use of golf clubs and fireworks and the erection of stages and other structures, unless a field protection system expressly approved by USGreentech, L.L.C. is in place
- e. Use of footwear having cleats of more than 5/8" in length or shoes having metal cleats, spikes or similar metal projections, other than conventional metal-tipped football or rugby cleats. Metal track spikes and metal baseball cleats are strictly prohibited.
- f. Use of harsh cleaning chemicals, herbicides or pesticides
- g. Use of improper cleaning methods
- h. Failure to properly maintain the installation by use of recommended equipment
- i. Acts of God or other conditions beyond the reasonable control of USGreentech, L.L.C.
