

PFC CORK INFILL

Naturally Safe Organic Infill

Get the look, feel and performance of natural grass with organic GREENPLAY PERFORMANCE CORK INFILL. This unique, stand-alone cork, available exclusively through TTI or Greenplay is a high-durability, high-performance cork that has been successfully utilized in hot, cold and wet climates across Europe and North America. Cork does not absorb water so dries very quickly after heavy rains.

*****When specified our proprietary PFC Cork is available to all bidders*****
