

TTII TRU-PLAY 57 COLORED EPDM

SPECIFICATION SHEET

1. 100% virgin compound material manufactured in Montreal, QC Canada
2. Non SBR
3. Polyvinyl chloride (PVC) free
4. Material is non-sulphur cured, non-peroxide cured
5. Not a TPV
6. Color: green or tan
7. Shape: semi-ovoid
8. Odorless
9. Dust free
10. Compression Test ASTM D395 modified: loss of rebound < 5%
11. Thermal Stability Testing: no agglomeration or stability loss at 239° F
12. Heavy Metals Test F3188
13. UV Testing at 5000 hours – EN14836
14. Bulk density: 45 (+/- 3lbs) per cubic ft
15. Specific gravity: 1.45 – 1.51
16. Gradation: 8-16 mesh as per typical sieve analysis below
17. Meets California's Prop 65 as per Heavy Metals Analysis EPA 6010 & EPA 6020
18. Meets European Safety of Toys Testing EN71-3
19. ISO Certification
20. 8 year manufacturer's warranty

TYPICAL SIEVE ANALYSIS	
ASTM E-11 Sieve No.	Individual % Retention
4	0.0
6	0.8
8	7.3
10	43.9
16	47.4
18	0.1
	0.5
	100.0
